

DOTTORPRIMO

EMERGEL

GEL DETERGENTE CALMANTE

SOOTHING CLEANSING GEL

A gel for cleansing face, body and scalp comprised of natural surfactants and glucosides. Its particular formulation - highly tolerated and free of lauryl sulphate and oxyethylene - makes it an essential product for hypersensitive and responsive skin, even when reddened or in a state of inflammatory weakness; think, for instance, of atopic dermatitis.

Emergel doesn't alter the skin hydrolipidic film and, thanks to Hydrolyzed rice protein, Aloe Vera, Chamomile and Liquorice extracts, it is ideal for treatment protocols with soothing and anti-inflammatory purposes.

Its excellent skin compatibility allows its use even on very young children.

The product is certified ICEA COSMOS NATURAL.

THE ACTIVE INGREDIENT

HYDROLYZED RICE PROTEIN

Hydrolyzed Rice Protein is an active ingredient known for its soothing action.

ALOE VERA GEL 1%

Extracted from Aloe leaves, it is a treasure trove of substances featuring multiple activities, e.g. a purifying and sanitizing action combined with a soothing and rebalancing effect.

CHAMOMILE EXTRACT 1% AND LIQUORICE EXTRACT 1%

For a global hydrating, calming, anti-inflammatory, improving and thus normalizing action on reddened skin.

THE PRODUCT

An easy-to-rinse and delicate gel, which is very effective in its cleansing activity and exerts a hydrating, soothing and anti-inflammatory action on irritated skin areas, tending to itchiness.

INDICATIONS

Emergel is indicated for external use only and is safe also in case of frequent use.

HOW TO USE

Apply on dampened skin or scalp and perform a delicate massage. Leave on for a couple of minutes and then rinse.

WARNINGS

There are no specific contraindications under the normal conditions of use.
Keep out of reach of children.

Packaging
200ml PE bottle. In a box.
